

SOLIDWORKS PDM Standard

SOLIDWORKS PDM Professional 3DEXPERIENCE SOLIDWORKS/
Collaborative Designer for SOLIDWORKS
with Collaborative Industry Innovator

		File Management	
	Emulated Windows Folders	Emulated Windows Folders	Bookmarks & Collaborative Spaces
Navigating Files	In Windows Explorer	In Windows Explorer	In-Browser or In-App
File Type Support	SOLIDWORKS Files (.sld*)	SOLIDWORKS Files (.sld*)	SOLIDWORKS Files (.sld*)
	Office Documents (.doc*, xls*)	All Office Documents	Office Documents
	Neutral CAD (.dxf, .dwg)	Multi-CAD & Neutral CAD	DWG/DXF/PDF
	PDF	PDF	Multi-CAD & Neutral CAD
		Any Windows-based File Format	Any Windows-based File Format
	Paste as Reference	Paste as Reference	Where Used/Contains
Reference and Relation	Where Used/Contains (View/CSV export)	Paste Shared	Attachments (Office to CAD Data Only)
Management		Where Used/Contains (View/CSV export)	Branch and Merge
		Branch and Merge	
	VPN and Login	VPN and Login	Access Files from Any Browser
Remote File Access	Offline Mode	Web2 Client (non-Design)	
		Offline Mode	
Distributed Team	Not Supported	File and Database Replication Support	Global Access Cloud Storage
ollaboration & File Access			· ·
	Configurable Variables	Configurable Variables	Configurable Attribute
	Version-Free Variables	Version-Free Variables	Version-Free Attribute
	Default Values	Default Values	Default Values
Metadata	Searchable via Data Cards	Formulas/Driven Values	Searchable via 6W Tags
(Variables/Attributes)	Mandatory Values	Searchable via Data Cards	Mapping to CAD Files
	Mapping to Office and CAD Files	Mandatory Values	Attribute chart generation
	5	Mapping to Office and CAD Files	J
	Thumbnails	Thumbnails	Thumbnails
File Previews	Embedded eDrawings	Embedded eDrawings	3D Play
	CAD, Office, PDF, HTML	CAD, Office, PDF, HTML	CAD, Office, PDF
	Version on Each Check-In	Version on Each Check-In	
Version History	Optional Latest Version Overwrite	Optional Latest Version Overwrite	Supported with Minor Revisions
Version Thistory	Rollback and Restore	Rollback and Restore	
Version Management	Warn When Working with Older Version	Warn When Working with Older Version	Manual Management
	Allow/Dissallow Working with Older Version	Allow/Dissallow Working with Older Version	Warn when working with older versions
	Delete and Destroy	Delete and Destroy	<u> </u>
File Deletion	Recycle Bin	Recycle Bin	No Recycle Bin (Destroy Only)
The Beletion	Permission-Control	Permission-Controlled	, , ,
	Mandated Check-In/Check-Out	Mandated Check-In/Check-Out	Manual Lock/Unlock
Overwrite Protection	Local Copy	Local Copy	Local Copy
ile Duplication Prevention	Vault-wide Support	Vault-wide Support	System-wide Support
ne papacation revention	Admin-controlled	Admin-controlled	Admin-controlled

	Quick Search	Quick Search	System-wide Search
	Pre-configured Complete Search Card with Operators	Pre-configured Complete Search Card with Operators	Search in Current Page
	Search on any Variable or File Property	Configurable Search Cards with Operators	6W Tag Based Search
	Recursive Search Control	Dedicated Search Tool	Favorite Search
Searching	Configurable Result Set	Configurable Result Set	Pin search to Dashboard
	SQL Query	Search Favorites	User Query Language (Advanced Searching)
		Search on any Variable or File Property	
		Recursive Search Control	
		SQL Query	
	Separate Data Card Tabs	Separate Data Card Tabs	Physical Products & Representations
Configuration Support	Serial Number per File	Serial Number per File	EIN (part number) per Physical Product
			No Derived Configuration
3D Interconnect Support	Fully Supported	Fully Supported	References Dissolved on Cloud Save
	Not Supported	Multiple Serial Number Definitions	One EIN (part number) Definition
		Automated on File Creation	On-Demand EIN (part number) Assignment
Serial Number Generation		Fully Configurable	Fully Configurable
		Intelligent Values	Not Formula-Driven
		Not Formula-Driven	
	Manual Convert to PDF	Mutiple File Format Conversion	Convert to PDF, STEP, ACIS
Neutral File Exports	Individual and Batch	Manual and Automatic	Manual and Automatic
·		Individual and Batch	
		Configurable Drop Downs	
Lists	Configurable Drop Downs	Dynamic Drop Downs	Configurable Drop Downs
Microsoft Office Add-in	Not Supported	Supported	Supported
File/Folder Templates	Not Supported	File and Folder Templates Supported	File Templates Supported
They retuen remptates			· · · · · · · · · · · · · · · · · · ·
		Lifecycle Management	
	Auotmated Incrementation	Lifecycle Management Auotmated Incrementation	Auotmated Incrementation
		Auotmated Incrementation	
	Revision Comments (optional or mandatory)	Auotmated Incrementation Revision Comments (optional or mandatory)	Auotmated Incrementation Revision Comments (optional) Rollback
Revision Management	Revision Comments (optional or mandatory) Rollback & Restore	Auotmated Incrementation Revision Comments (optional or mandatory) Rollback & Restore	Revision Comments (optional) Rollback
Revision Management	Revision Comments (optional or mandatory)	Auotmated Incrementation Revision Comments (optional or mandatory) Rollback & Restore Version on Each Check-In	Revision Comments (optional) Rollback Can be driven with Change Actions & Issues
Revision Management	Revision Comments (optional or mandatory) Rollback & Restore	Auotmated Incrementation Revision Comments (optional or mandatory) Rollback & Restore	Revision Comments (optional) Rollback
	Revision Comments (optional or mandatory) Rollback & Restore Child State Blocking	Auotmated Incrementation Revision Comments (optional or mandatory) Rollback & Restore Version on Each Check-In Child State Blocking	Revision Comments (optional) Rollback Can be driven with Change Actions & Issues On-demand revisioning
Revision Management Revision Table Support	Revision Comments (optional or mandatory) Rollback & Restore Child State Blocking SOLIDWORKS Revision Tables Supported	Auotmated Incrementation Revision Comments (optional or mandatory) Rollback & Restore Version on Each Check-In Child State Blocking SOLIDWORKS Revision Tables Supported	Revision Comments (optional) Rollback Can be driven with Change Actions & Issues
	Revision Comments (optional or mandatory) Rollback & Restore Child State Blocking SOLIDWORKS Revision Tables Supported Rolling Rev Table	Auotmated Incrementation Revision Comments (optional or mandatory) Rollback & Restore Version on Each Check-In Child State Blocking SOLIDWORKS Revision Tables Supported Rolling Rev Table	Revision Comments (optional) Rollback Can be driven with Change Actions & Issues On-demand revisioning SOLIDWORKS Revision Tables Not Supported
	Revision Comments (optional or mandatory) Rollback & Restore Child State Blocking SOLIDWORKS Revision Tables Supported Rolling Rev Table No Task Object Type	Auotmated Incrementation Revision Comments (optional or mandatory) Rollback & Restore Version on Each Check-In Child State Blocking SOLIDWORKS Revision Tables Supported Rolling Rev Table No Task Object Type	Revision Comments (optional) Rollback Can be driven with Change Actions & Issues On-demand revisioning SOLIDWORKS Revision Tables Not Supported Approvals Reports (View/PDF/CSV)
Revision Table Support	Revision Comments (optional or mandatory) Rollback & Restore Child State Blocking SOLIDWORKS Revision Tables Supported Rolling Rev Table No Task Object Type Workflow History for any Vaulted File (PDF)	Auotmated Incrementation Revision Comments (optional or mandatory) Rollback & Restore Version on Each Check-In Child State Blocking SOLIDWORKS Revision Tables Supported Rolling Rev Table No Task Object Type Workflow History for any Vaulted File (PDF)	Revision Comments (optional) Rollback Can be driven with Change Actions & Issues On-demand revisioning SOLIDWORKS Revision Tables Not Supported Approvals Reports (View/PDF/CSV) To Do, In Work, Completed
	Revision Comments (optional or mandatory) Rollback & Restore Child State Blocking SOLIDWORKS Revision Tables Supported Rolling Rev Table No Task Object Type	Auotmated Incrementation Revision Comments (optional or mandatory) Rollback & Restore Version on Each Check-In Child State Blocking SOLIDWORKS Revision Tables Supported Rolling Rev Table No Task Object Type	Revision Comments (optional) Rollback Can be driven with Change Actions & Issues On-demand revisioning SOLIDWORKS Revision Tables Not Supported Approvals Reports (View/PDF/CSV) To Do, In Work, Completed Attachments, Deliverables, Direct Upload
Revision Table Support	Revision Comments (optional or mandatory) Rollback & Restore Child State Blocking SOLIDWORKS Revision Tables Supported Rolling Rev Table No Task Object Type Workflow History for any Vaulted File (PDF)	Auotmated Incrementation Revision Comments (optional or mandatory) Rollback & Restore Version on Each Check-In Child State Blocking SOLIDWORKS Revision Tables Supported Rolling Rev Table No Task Object Type Workflow History for any Vaulted File (PDF) Includes Version, User, Date/Time, Comments Workflow Transitions to Notifiy Users/Groups	Revision Comments (optional) Rollback Can be driven with Change Actions & Issues On-demand revisioning SOLIDWORKS Revision Tables Not Supported Approvals Reports (View/PDF/CSV) To Do, In Work, Completed Attachments, Deliverables, Direct Upload Scheduling (Priority, Due Date, Estimated Duration)
Revision Table Support	Revision Comments (optional or mandatory) Rollback & Restore Child State Blocking SOLIDWORKS Revision Tables Supported Rolling Rev Table No Task Object Type Workflow History for any Vaulted File (PDF)	Auotmated Incrementation Revision Comments (optional or mandatory) Rollback & Restore Version on Each Check-In Child State Blocking SOLIDWORKS Revision Tables Supported Rolling Rev Table No Task Object Type Workflow History for any Vaulted File (PDF) Includes Version, User, Date/Time, Comments Workflow Transitions to Notifiy Users/Groups Delayed in State Actions	Revision Comments (optional) Rollback Can be driven with Change Actions & Issues On-demand revisioning SOLIDWORKS Revision Tables Not Supported Approvals Reports (View/PDF/CSV) To Do, In Work, Completed Attachments, Deliverables, Direct Upload
Revision Table Support	Revision Comments (optional or mandatory) Rollback & Restore Child State Blocking SOLIDWORKS Revision Tables Supported Rolling Rev Table No Task Object Type Workflow History for any Vaulted File (PDF) Includes Version, User, Date/Time, Comments	Auotmated Incrementation Revision Comments (optional or mandatory) Rollback & Restore Version on Each Check-In Child State Blocking SOLIDWORKS Revision Tables Supported Rolling Rev Table No Task Object Type Workflow History for any Vaulted File (PDF) Includes Version, User, Date/Time, Comments Workflow Transitions to Notifiy Users/Groups	Revision Comments (optional) Rollback Can be driven with Change Actions & Issues On-demand revisioning SOLIDWORKS Revision Tables Not Supported Approvals Reports (View/PDF/CSV) To Do, In Work, Completed Attachments, Deliverables, Direct Upload Scheduling (Priority, Due Date, Estimated Duration)
Revision Table Support Tasks	Revision Comments (optional or mandatory) Rollback & Restore Child State Blocking SOLIDWORKS Revision Tables Supported Rolling Rev Table No Task Object Type Workflow History for any Vaulted File (PDF) Includes Version, User, Date/Time, Comments One Revsion Scheme	Auotmated Incrementation Revision Comments (optional or mandatory) Rollback & Restore Version on Each Check-In Child State Blocking SOLIDWORKS Revision Tables Supported Rolling Rev Table No Task Object Type Workflow History for any Vaulted File (PDF) Includes Version, User, Date/Time, Comments Workflow Transitions to Notifiy Users/Groups Delayed in State Actions No Scheduling Multiple Revision Schemes	Revision Comments (optional) Rollback Can be driven with Change Actions & Issues On-demand revisioning SOLIDWORKS Revision Tables Not Supported Approvals Reports (View/PDF/CSV) To Do, In Work, Completed Attachments, Deliverables, Direct Upload Scheduling (Priority, Due Date, Estimated Duration) Dependencies with Add'l Roles One Revision Scheme
Revision Table Support	Revision Comments (optional or mandatory) Rollback & Restore Child State Blocking SOLIDWORKS Revision Tables Supported Rolling Rev Table No Task Object Type Workflow History for any Vaulted File (PDF) Includes Version, User, Date/Time, Comments One Revsion Scheme Major and Optional Minor	Auotmated Incrementation Revision Comments (optional or mandatory) Rollback & Restore Version on Each Check-In Child State Blocking SOLIDWORKS Revision Tables Supported Rolling Rev Table No Task Object Type Workflow History for any Vaulted File (PDF) Includes Version, User, Date/Time, Comments Workflow Transitions to Notifiy Users/Groups Delayed in State Actions No Scheduling Multiple Revision Schemes Major and Optional Minor	Revision Comments (optional) Rollback Can be driven with Change Actions & Issues On-demand revisioning SOLIDWORKS Revision Tables Not Supported Approvals Reports (View/PDF/CSV) To Do, In Work, Completed Attachments, Deliverables, Direct Upload Scheduling (Priority, Due Date, Estimated Duration) Dependencies with Add'l Roles One Revision Scheme Major and Optional Minor
Revision Table Support Tasks	Revision Comments (optional or mandatory) Rollback & Restore Child State Blocking SOLIDWORKS Revision Tables Supported Rolling Rev Table No Task Object Type Workflow History for any Vaulted File (PDF) Includes Version, User, Date/Time, Comments One Revsion Scheme	Auotmated Incrementation Revision Comments (optional or mandatory) Rollback & Restore Version on Each Check-In Child State Blocking SOLIDWORKS Revision Tables Supported Rolling Rev Table No Task Object Type Workflow History for any Vaulted File (PDF) Includes Version, User, Date/Time, Comments Workflow Transitions to Notifiy Users/Groups Delayed in State Actions No Scheduling Multiple Revision Schemes	Revision Comments (optional) Rollback Can be driven with Change Actions & Issues On-demand revisioning SOLIDWORKS Revision Tables Not Supported Approvals Reports (View/PDF/CSV) To Do, In Work, Completed Attachments, Deliverables, Direct Upload Scheduling (Priority, Due Date, Estimated Duration) Dependencies with Add'l Roles One Revision Scheme
Revision Table Support Tasks	Revision Comments (optional or mandatory) Rollback & Restore Child State Blocking SOLIDWORKS Revision Tables Supported Rolling Rev Table No Task Object Type Workflow History for any Vaulted File (PDF) Includes Version, User, Date/Time, Comments One Revsion Scheme Major and Optional Minor	Auotmated Incrementation Revision Comments (optional or mandatory) Rollback & Restore Version on Each Check-In Child State Blocking SOLIDWORKS Revision Tables Supported Rolling Rev Table No Task Object Type Workflow History for any Vaulted File (PDF) Includes Version, User, Date/Time, Comments Workflow Transitions to Notifiy Users/Groups Delayed in State Actions No Scheduling Multiple Revision Schemes Major and Optional Minor	Revision Comments (optional) Rollback Can be driven with Change Actions & Issues On-demand revisioning SOLIDWORKS Revision Tables Not Supported Approvals Reports (View/PDF/CSV) To Do, In Work, Completed Attachments, Deliverables, Direct Upload Scheduling (Priority, Due Date, Estimated Duration) Dependencies with Add'l Roles One Revision Scheme Major and Optional Minor Alpha or Numeric Major
Revision Table Support Tasks	Revision Comments (optional or mandatory) Rollback & Restore Child State Blocking SOLIDWORKS Revision Tables Supported Rolling Rev Table No Task Object Type Workflow History for any Vaulted File (PDF) Includes Version, User, Date/Time, Comments One Revsion Scheme Major and Optional Minor	Auotmated Incrementation Revision Comments (optional or mandatory) Rollback & Restore Version on Each Check-In Child State Blocking SOLIDWORKS Revision Tables Supported Rolling Rev Table No Task Object Type Workflow History for any Vaulted File (PDF) Includes Version, User, Date/Time, Comments Workflow Transitions to Notifiy Users/Groups Delayed in State Actions No Scheduling Multiple Revision Schemes Major and Optional Minor	Revision Comments (optional) Rollback Can be driven with Change Actions & Issues On-demand revisioning SOLIDWORKS Revision Tables Not Supported Approvals Reports (View/PDF/CSV) To Do, In Work, Completed Attachments, Deliverables, Direct Upload Scheduling (Priority, Due Date, Estimated Duration) Dependencies with Add'l Roles One Revision Scheme Major and Optional Minor Alpha or Numeric Major
Revision Table Support Tasks	Revision Comments (optional or mandatory) Rollback & Restore Child State Blocking SOLIDWORKS Revision Tables Supported Rolling Rev Table No Task Object Type Workflow History for any Vaulted File (PDF) Includes Version, User, Date/Time, Comments One Revsion Scheme Major and Optional Minor	Auotmated Incrementation Revision Comments (optional or mandatory) Rollback & Restore Version on Each Check-In Child State Blocking SOLIDWORKS Revision Tables Supported Rolling Rev Table No Task Object Type Workflow History for any Vaulted File (PDF) Includes Version, User, Date/Time, Comments Workflow Transitions to Notifiy Users/Groups Delayed in State Actions No Scheduling Multiple Revision Schemes Major and Optional Minor	Revision Comments (optional) Rollback Can be driven with Change Actions & Issues On-demand revisioning SOLIDWORKS Revision Tables Not Supported Approvals Reports (View/PDF/CSV) To Do, In Work, Completed Attachments, Deliverables, Direct Upload Scheduling (Priority, Due Date, Estimated Duration) Dependencies with Add'l Roles One Revision Scheme Major and Optional Minor Alpha or Numeric Major

	CAD E''. MAIL ''	A	5 1 15 1 141 3
	CAD File Maturity	Any File Maturity	Product Development Maturity
	Baked into Workflow	Baked into Workflow	Separate Maturity Flow and Routes
Maturity Tracking	Workflow Transitions	Workflow Transitions	Cannot Configure Maturity States
	Workflow History for any Vaulted File (PDF)	Workflow History for any Vaulted File (PDF)	
	Includes Version, User, Date/Time, Comments	Includes Version, User, Date/Time, Comments	
	Fully Configurable	Fully Configurable	
	One Workflow	Unlimited Workflows	Unlimited Routes (Approvals and Processes)
Business Processes	10 States	Unlimited States	Unlimited Tasks
Management	Fully Configurable	Fully Configurable	On-The-Fly Routes
	Conditional Manual Transistions	Conditional Manual and Automatic Transistions	Fully Configurable
	Not Supported	Not Supported	Out-of-the-Box Support
sue/Project Management			Gantt Charts with Addt'l Roles
			Multiple Changes Per Issue
	Limited Support	Configurable via Workflow	Out-of-the-Box Support
Change Management			Automated Change Tracking
	CAD BOM (View/CSV export)	CAD BOM (View/CSV export)	CAD-Managed
	Named BOM (View/CSV export)	Named BOM (View/CSV export)	ERP Integration Support with Add'l Roles
	Computed BOM (View/CSV export)	Computed BOM (View/CSV export)	BOM Management with Add'l Roles
BOM/Item Management	BOM Compare (View/CSV export)	BOM Compare (View/CSV export)	Boi i i ianagement with Add i Notes
	BOM compare (view) c3v export)	Automated BOM Export	
	Limited Connect	ERP Integration Support	Fully Connected
	Limited Support	Fully Supported	Fully Supported
		X of Y Approvals	X of Y Approvals
		Parallel Approvals	Parallel Approvals
Approvals		Group Approvals	Group Approvals
		Sequential Approvals	Sequential Approvals
		Delayed in State Notifications	Delayed in State Notifications
		Alternate Approval	Alternate Approval
		Automated Approval Routing	Automated Approval Routing
		Collaboration	
	Limited Messaging Support	Limited Messaging Support	Messaging
	Transition/Revision Comment	Transition/Revision Comment	Video Calling
Communication	Transition, Nevision Comment	Transition, Newsland Comment	Screen Sharing
Communication			Transition/Revision/Flle Commenting
			Communities
	In Ann	In Ann	Notification Center
	In-App	In-App	
Notifications		SMTP/Email	Alert (In-App)
Notifications			Browser
			SMTP/Email
	Not Supported	Templates to Create Project Directories & Files	Mobile Push Notifications* for Communities and Messagin
	Not Supported	Report Generator	Configurable Dashboards Issue & Change Reports
Dashboards and Reports		SQL Database Reporting Tools	issue & Change Nepults
	Pack and Go (SOLIDWORKS Required)	Pack and Go (SOLIDWORKS Required)	Pack and Go (SOLIDWORKS Required)
External Sharing	Licensed Collaborators	Licensed Collaborators	Licensed Collaborators
Externat Sharing	Download from Vault	Download from Vault	Download from Vault

Regulatory Agency Compliance	None	FDA, RoHS, ISO 9001 and 14000, ANSI, etc.	Limited Support (e.g. FDA) Add'l Roles Required (GLR, EAD, LRA, RCF) ITAR Not Supported			
Administration						
Licensing	Floating Network or Single-Activation Named User	Floating Network or Single-Activation Named User	Global Access Named User			
	Server/Client Authentication	Server/Client Authentication	Online Authentication			
	Viewers, Contributors, Editors, Universal Clients	Viewers, Contributors, Editors, Universal, Web Clients	Role-Based			
Security/Access Control	Folder, Workflow, Tasks, Templates, Search Card, BOM Permissions	Folder, Workflow, Tasks, Templates, Search Card, BOM Permissions	Collaborative Space, Bookmark, Maturity, Route Permissions			
	User and Group Level	User and Group Level	ISO-27001			
Integration/Automation	SOLIDWORKS API Only	Full API	SOLIDWORKS API Only			
	Windows PC	Windows PC	Windows PC (For SOLIDWORKS)			
Client Environment			Browser-Based (Platform Tools)			
			Universal Device Support			
Ancillary Software (RDBMS)	SQL Sever Express	SQL Server Standard	Included with 3DEXPERIENCE			
			No Setup Required			
Server Operating System	Windows Server	Windows Server	N/A			
Server Environment	Physical or Cloud (Azure or AWS)	Physical or Cloud (Azure or AWS)	Fully Hosted			
Server Environment			3DEXPERIENCE Data Centers (Not ITAR Compliant)			
	Database Maintenance Schedule	Database Maintenance Schedule	Cloud-Managed			
Maintenance	File Backups	File Backups	No IT Maintenance Requirements			
	Requires Admin/IT/Reseller Support	Requires Admin/IT/Reseller Support				
User/Group Management	User and Group Permissions	User and Group Permissions	User Group Permissions and Assignment			
Oser/ Group Management		SSO Support (Windows/Azure AD)	Oser Group'i ermissions and Assignment			
	SOLIDWORKS Installation Manager	SOLIDWORKS Installation Manager	Simplified SOLIDWORKS Installation			
Installation Process	Serial Number Based	Serial Number Based	Platform Tools are Browser-Based (No Install)			
	SQL Installation	SQL Installation				
	Optional Beta Program	Optional Beta Program	1 Major Release & 5 Service Packs/Year			
Upgrade Schedule	1 Major Release & 5 Service Packs/Year	1 Major Release & 5 Service Packs/Year	Frequent Hotfixes			
opgrade schedate	Manual Hotfixes	Manual Hotfixes	Co-released with SOLIDWORKS			
	Co-released with SOLIDWORKS	Co-released with SOLIDWORKS				
	Manual Upgrades (File and Database Servers)	Manual Upgrades (File and Database Servers)	Automated Server Upgrades			
Installation/Upgrade	Requires Admin/IT/Reseller Support	Requires Admin/IT/Reseller Support	Semi-Automated Client Upgrades			
Requirements	Not Mandated	Not Mandated	Mandatory (14-Day Grace Period)			
	Remote Deploy (Push or Pull) to Clients Supported	Remote Deploy (Push or Pull) to Clients Supported	Remote Deploy (Push or Pull) to Clients Not Supported
